

Let's face it; nobody wants to spend any more time sitting in an airport than necessary. With comfortable leather furniture, a big screen TV, and complimentary coffee, we hope that the 1331 Lounge will start your air travel right. The lounge is located on the first floor of the terminal building just to the left of the vending machines.

A one-year **membership is \$20.00**. You will be mailed an access card which allows use of the lounge and lets you park in the short-term lot at long-term prices. Simply enter the long-term lot, drive to the gate with the 1331 logo, place your card against the card reader, wait until the gate arm rises, and park in the short-term lot.

With the opening of the 1331 Lounge, convenient parking, free wireless Internet, It's All Good! Barbeque & Catering, and the opening of Nellie's Lounge, it's our commitment to make your travel through Sioux Gateway comfortable and convenient. If you have any questions regarding the 1331 Lounge please call 712-279-0170.
